

Volunteering at Levitt at the Falls

Do you love live music? Enjoy meeting new people who love music too? Levitt at the Falls needs you! We rely on the time and talent of many dedicated volunteers to help the concert season run smoothly and make everyone's experience a great one. Opportunities are available for all!

Volunteer Roles:

1. Tent Team (2-5 per concert)

Our Info/Merch/Concessions Crew provide information and customer service, putting people and retail skills to work under the shade of the Levitt tents. Our Info Booth will be the hot spot for concert season information, lawn chair rentals, first aid requests, lost and found, concession sales, and Levitt and artist merchandise sales.

2. People Pros (8-12 per concert)

Greeting - These happy people will welcome our patrons as they enter the lawn. Our People Pros will answer questions, provide basic information about vendor and bathroom locations, check coolers, and hand out season schedules.

Buckets - One very important way we pay for free concerts is through the generous donations of our audience members. Our greeters monitor buckets at our natural entrances and exits for guests who donate on their way in or out.

Counting - Each night, People Pros will use hand counters to help us determine how many people are enjoying free music with us.

3. Set Up Squad (1-2 every Thursday afternoon)

Our set up squad gets a great work out helping the staff with tents, tables, chairs and other items needed to run a weekend of concerts. Must be able to lift 50 lbs.
