# DEAR FRIENDS,

Welcome to Levitt at the Falls! Here at the Levitt, our mission is to build community through music. We strive to be a welcoming destination for everyone in our community to gather and enjoy the power of free, live music.

We are so excited to gather with you on the Lloyd Lawn for our seventh summer of programming. Our lineup of 50 free concerts is filled with exciting festivals and engaging bands — featuring some new favorites and classic crowdpleasers.

We're continuing to connect and enhance our involvement outside the lawn. This year, we're providing three summer camps for kids in different age ranges: Music Explorers Jam Camp, Hip-Hop Jam Camp, and Songwriting Jam Cam. In addition to camps, we'll be taking our artists into the community to provide music for those who cannot make it to the lawn.

This fall, you'll also see us break ground on The Sweetman Atrium, an expansion to the Levitt shell. We'll be creating a more accessible, welcoming environment for our artists as well as creating an indoor programming space to use year-round.

There's an exciting season in store for our community, and we look forward to experiencing the joy of live music with each and every one of you.
